

The Cal State San Bernardino Demonstration Garden Series Presents...

April 2016 Water Saving Garden Friendly Workshop

Thursday, April 21st at 7 PM (campus classroom)
and Saturday, April 23rd at 9 AM (CSUSB
Demonstration Garden, N end of parking lot G)

Concerned about your trees during the drought?
Come learn tips and tricks for tree support while
using water efficiently! Attend Thursday's
workshop for planning tools and plant pre-
ordering, then attend Saturday's workshop for
an outdoor demonstration, lecture, Q/A, plant
and seed give-away, and rain barrel raffle!

These events are **FREE** but registration for
directions/event specifics is suggested:
