FOR IMMEDIATE RELEASE

THIS SPRING AT CSUSB: PUBLIC ART in the WRI GARDEN

San Bernardino, Calif.- Public Art in the WRI Garden will showcase a series of temporary art projects and workshops by CSUSB students. Opening with an upcycling workshop, *Trashformation: Bottles & Bags*, to celebrate Earth day (April 23rd), free events are scheduled until mid June 2016. Interactive sculptures, installations, and social practices will be conducted that will engage audiences using social media, interactions and activities. Artworks aim to bring awareness to the Water Resources Demonstration Garden on the CSUSB campus and draw regular visits, as some artworks will transform over the duration of the events throughout the spring.
